Dear Mr. Haddock:

I have enclosed the fourth quarter 2000 water monitoring results for the Soldier Canyon Mine, Dugout Canyon Mine and Banning Loadout. I have also enclosed the snow-precipitation information that was inadvertently missing from our 1st quarter report.

All fourth quarter water monitoring data will also be down loaded into the Division's web site.

Should you have any questions or comments concerning this information, please contact myself (435-636-2872) or Chris Hansen (435-448-2669).

Sincerely,
 SOLDIER / DUGOUT CANYON MINES
